Join us at our next chapter meeting on April 13. Meet our newly installed board members, **Pauline Gerry, VP of Communications & Public Relations, VyStar Credit Union**, and **Tara McQuillen, VP of Marketing, Jax Federal Credit Union**.

Our guest speaker, Bill Paton, will talk about what's happening on the liquidity front.

Liquidity is at the forefront for most credit unions, and knowing how to access various sources is more prevalent today than ever over the past four decades. Not since the early 1980s has there been so much concern over liquidity in the financial services space.

In this discussion, we'll talk about where credit unions are at today regarding liquidity, how we got here and how we can ensure that we are prepared for whatever the economy throws at us next. Bill will cover the following:

- Overall credit union trends
- How to access various liquidity sources
- Contingency funding planning
- The new Bank Term Funding Program (BTFP)
